

SCHOOLS RESIDENTIAL INFORMATION

Teachers FAQ's

Do we need to keep the children in their groups?
Yes, and they will need to be in the group sizes we give (eg 8,8,10,10) as we staff each group, depending on their activity to ensure correct ratios are maintained.
Can we join in the activities?
We expect one teacher to accompany each group and to be joining each activity when they are within the ratio of one to twelve (please see your programme)
Is all food provided?
Yes, if that is what the school has confirmed, though you and the children will require a packed lunch for the first day.
Is their Wifi?
We do have wifi available but situated in our rural location wifi is very patchy so not suitable for media streaming etc. Please ask the office for the password.
What's the day's schedule?
Days will normally start with breakfast at 8am, activities from 9am till 4.30 (with fifteen minute break morning and afternoon and one hour for lunch). Supper is served at around 6pm
What happens in the evenings?
We offer sessions from 7pm till 8.30 but if you've not taken this option this time will be led by you. We can recommend local walks, provide a DVD player by request, provide wood and place for camp fire if requested in advance, depending on availability. Sports equipment can also be provided for football/rounders also.
Do I have my own room and do I need to bring bedding?
For Jubilee and Log cabin Staff rooms are for two people so depending on how many are coming you are likely be sharing. Bell tents are also generally two staff per tent, (these can sleep up to 10 so are spacious for 2). Depending on your booking you'll either be charged £5 for the duration of your visit for a duvet and pillow or you'll need to bring your own. If you are camping then a roll mat or airbed will also be needed.
What happens if it rains?
We provide wetsuits for the water based activities and can provide waterproof trousers and tops but we recommend you bring your own if you have them. If there is thunder and lightning outdoor activities will be curtailed.
Will Cobnor staff be on site overnight?
No, but our duty manager will have the duty phone and you will be provided with a list of numbers in case of emergency.
Are there tea and coffee facilities for us?
Yes, this is always available in the main kitchen area.
